Authority and Reference: Pursuant to the authority vested by section 2570.20 of the Business and Professions Code, and to implement, interpret or make specific section 2571 of the Business and Professions Code, the Board is considering amending Division 39, Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Add section 4152.1 Use of Topical Medications

On January 1, 2005, Senate Bill 1913 (Figueroa, Chapter 695, Statutes of 2004) took effect, allowing a licensed occupational therapist (OT), who is authorized by the Board to use physical agent modalities pursuant to section 2570.3(d) of the Business and Professions Code, to apply topical medications prescribed by the patient's physician and surgeon, certified nurse-midwife, nurse practitioner, or physician assistant, if the OT complies with regulations adopted by the Board. The purpose of the proposed regulation is to implement and make specific this legislation.

Existing law provides for a licensed OT, authorized by the Board to provide advanced practices in the use of physical agent modalities, to apply topical medication prescribed by specified health professionals. The proposed regulation will limit the application of topical medications to administration via iontophoresis and phonophoresis and require that the medication be ordered on a specific or standing basis by a practitioner legally authorized to order or prescribe such medication.
